

Help Clean Up Our Community

Saturday, April 22
9am-12pm

EARTH DAY

Youth Achieving through Service & Sports and The Upper Colorado River Authority present a fun & rewarding volunteer opportunity on Earth Day. We will be mowing lawns & clearing debris from the yards of disabled senior citizens, as well as, cleaning the banks of the Red Arroyo River in an effort to beautify the San Angelo community. We are in need of volunteers & lawn equipment. Join YASS and UCRA at Buffalo Wild Wings for free fun and food after the cleanups!

(WEAR PANTS, CLOSED TOED SHOES AND BRING GLOVES!)
