

TEXAS Watershed Steward

The Texas Watershed Steward program is a free educational workshop designed to help watershed residents improve and protect their water resources by getting involved in local watershed protection and management activities.

April 12, 2018:
8:00 am - 12:00 pm

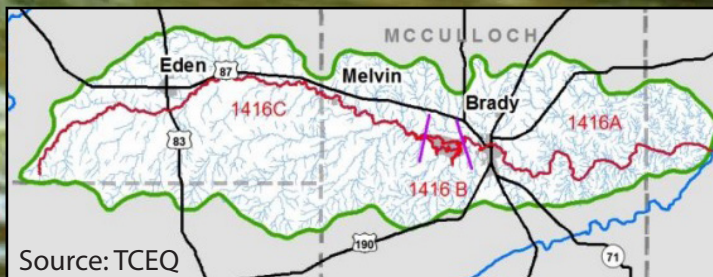

Municipal Court Building
207 South Elm Street
Brady, TX 76825

The workshop will provide an overview of water quality and watershed management in Texas, including a discussion on the Brady Creek watershed along with efforts to improve and protect it. Light refreshments will be provided. Free continuing education credits are offered for a wide variety of professional disciplines ranging from licensed Texas Department of Agriculture pesticide applicators to select TCEQ occupational license holders. For a complete list of CEUs offered, or to register, visit our website or call the number below.
